

SUBJECT INDEX **— VOLUMES 1 TO 17 —**

NB: Errors and/or omissions may also be reported to the editor at Rbrooks@technomuses.ca.

Patent numbers have been entered without commas (e.g. 650 198) but with semi-collins separating them. This has been done to facilitate searching specific numbers in the electronic file.

Abbe, Ernst (1840-1905) **2**, 71
